Education

B.Tech-Computer Science Engineering
I.K Gujral Punjab Technical University, Jalandhar
Average CGPA: 7.2 /10

2019 – 2023 | Punjab, India

Higher Secondary - PCM
Little Buddha Academy
Average GPA: 2.8/4

2017 – 2019 | Kanchanpur, Nepal

Professional Experience

Associate Software Developer
Seasia Infotech Pvt Ltd

January 2023 – September 2023
Mohali, Punjab, India

- Led MERN stack projects, finding solutions and fixing technical issues for smooth operations.
- Added a personal recommendation feature to apps, increasing user engagement by 40% and boosting daily users by 25%.
- Worked with different teams to align tech solutions with business goals, ensuring project success.
- Helped improve app security, joining efforts to protect user data.
- Kept learning, staying updated on new tech and trends. Explored Data Structures and Algorithms (DSA) to get better at problem-solving.

Projects

NextForms

An advanced **Next.js 14** based form builder developed with **TypeScript** for seamless functionality. Utilizes **Dnd-kit** library for intuitive drag-and-drop features. Hosted on Vercel with **PostgreSQL** managed by **Prisma** ORM. Integrates **Tailwind** CSS and **ShadCn UI** for an appealing interface.

Features:

- Responsive Design
- Drag-and-Drop Designer
- Form Preview & Sharing
- Submission & Validation

Youtube Clone

A **React-based** YouTube clone with **Tailwind CSS** and **Redux** for styling and state management. Integrates **YouTube Data API v3** for video data retrieval.

Features:

- Dark Mode & Homepage
- Enhanced Video Viewing
- Engaging Content Discovery

Courses & Certificates

- Modern Javascript - ES6
- NodeJS Fundamentals
- Project Management
